

CAPABILITY STATEMENT

OUR MISSION

TO HELP ORGANIZATIONS NAVIGATE SUCCESS.

NolanMackenzie is your partner in delivering result-oriented program management, advisory and technology services in the health and human services markets.

Our consulting services enable organizations to realize improved operations, optimized investments and drive outcomes. Regardless of your transformation efforts, our deep functional and technical expertise help organizations develop the right strategies, align resources and utilize technologies and data for real results.

OUR SERVICE OFFERINGS

PROGRAM MANAGEMENT SERVICES

Today's contracting climate is dynamic, complex and unpredictable.

NolanMackenzie responds quickly to help government agencies implement and manage their programs. Our team works with our clients to navigate today's dynamic environment leveraging proven management processes from experienced professionals.

ADVISORY SERVICES

There is no such thing as business as usual. Organizations are leveraging advanced technologies to connect their workforce, better serve customers and make better decisions. Our consultants are experts in technology, strategy and technical assistance services. We provide guidance to help government plan, execute and deliver improved results.

TECHNOLOGY SERVICES

Having IT professionals with the knowledge and skills to meet your needs is critical when implementing your technology solutions. NolanMackenzie brings the IT talent to drive innovation within your organization.
